MANAGING DIRECTOR'S

MESSAGE

Education is the foundation on which dreams are built and futures are shaped. At Global Public School, we do not simply educate children — we nurture thinkers, innovators, leaders, and responsible human beings.

Our vision is to create a learning environment where curiosity is encouraged, talents are discovered, and every child is empowered to reach their highest potential. We blend strong academic standards with values, discipline, creativity, and life skills, ensuring that our students are prepared not only for examinations but for life itself.

With modern infrastructure, progressive teaching methods, and a team of passionate educators, we strive to make learning meaningful, joyful, and future-ready. We believe that every child is unique, and it is our responsibility to guide them with care, confidence, and compassion.

At Global Public School, we are building more than a school — we are building a community where dreams take flight and success becomes a habit.

I warmly invite you to join our journey and partner with us in shaping a bright and promising future for your child.

GLOBAL PUBLIC SCHOOL

TRANSFORMING CONCEPTS INTO REALITY AND NURTURING INNOVATION

Global Public School is located in Fatehpur . Blending academic excellence with strong values, we prepare students to face the world with courage and character.And our mission is to create responsible citizens, creative thinkers, and compassionate leaders of tomorrow

PLAY SCHOOL

At our Play School, we believe every child is unique and full of potential. We provide a safe, loving, and joyful environment where children learn through play, exploration, and creativity. Our focus is on nurturing confidence, curiosity, and good values while building a strong foundation for lifelong learning. Here, every day is filled with laughter, discovery, and growth.

KINDERGARTEN

Kindergarten is the first step in a child's formal learning journey, and we make it joyful, meaningful, and memorable. Our caring environment encourages children to explore, ask questions, and discover the world around them. Through play-based activities, creative learning, and gentle guidance, we build confidence, curiosity, and strong foundational skills that prepare every child for lifelong success.

PRIMARY & MIDDLE SCHOOL

Our Primary and Middle School programs are designed to build a strong academic foundation while nurturing character, confidence, and creativity in every child. Through a balanced blend of interactive classroom learning, practical experiences, and co-curricular activities, we develop essential skills in literacy, numeracy, critical thinking, communication, and leadership. Guided by dedicated teachers in a safe and supportive environment, students are encouraged to explore their talents, think independently, and grow into responsible, disciplined, and compassionate individuals, fully prepared to meet future challenges and achieve lifelong success.

INFRASTRUCTURE & AMENITIES

COMPUTER LAB

Our Computer Lab is a modern, well-equipped learning space designed to develop students' digital skills and technological confidence. With updated computers, high-speed internet, and guided instruction, students gain hands-on experience in coding, research, presentations, and essential computer applications. We focus on building logical thinking, creativity, and problem-solving abilities while ensuring safe and responsible use of technology. The lab empowers students to become smart, tech-savvy learners ready to thrive in today's digital world.

ROBOTICS LAB

Our Robotics Lab is an innovative learning space where imagination meets technology. Designed to inspire young minds, the lab provides hands-on experience in robotics, coding, automation, and problem-solving through interactive projects and real-life applications. Students learn to design, build, and program robots, developing creativity, logical thinking, teamwork, and analytical skills. By exploring the world in practical way, we prepare our learners to become confident innovators and future-ready leaders in the rapidly advancing technological world.

SCIENCE LAB

Our Science Lab is a dynamic and well-equipped space where curiosity turns into discovery. Designed to encourage practical learning, the lab allows students to explore scientific concepts through hands-on experiments, observations, and investigations. With modern equipment and guided supervision, students develop critical thinking, analytical skills, and a scientific temperament. By connecting theory with real-life applications, we inspire young minds to question, experiment, and innovate, preparing them to become confident learners and future problem-solvers.

DIGITAL BOARDS

At Global Public School, our Digital Board–enabled Smart Classrooms bring learning to life in today's fast-moving and competitive world. Lessons are delivered through interactive visuals, videos, animations, and real-time presentations that make concepts clearer and more engaging. This technology-driven approach keeps students attentive, motivated, and actively involved in every class. It enhances understanding, creativity, and critical thinking skills while making learning enjoyable and effective. By blending traditional teaching with modern digital tools, we prepare students to become confident, tech-savvy, and future-ready learners equipped to excel in a global environment.

COMPETITIVE EXAMS

At Global Public School, Fatehpur, we nurture young minds to excel beyond classrooms by encouraging active participation in prestigious competitive Olympiads such as IMO, IHO, NSO, and IGKO. These platforms sharpen students' logical thinking, problem-solving skills, and academic excellence at national and international levels. We believe healthy competition builds confidence, discipline, and a spirit of achievement. Our dedicated mentors guide every child with structured preparation and personal attention. Our aim is to prepare students not just for exams, but for the challenges of the future. We shape learners into confident, capable, and competitive global citizens.

CO-CURRICULAR ACTIVITIES

It allows students to have real world experience, which clearly illustrates and enhances the information taught in the curriculum. Field trips give a chance to experience hands on earning while being introduced to new environments

ART AND CRAFT

In our Art & Craft classes our students are taught a variety of skills like creativity, confidence, cisual learning, decision making, perseverance, collaboration and accountability.

SPORTS

Inclusion of games in our curriculum of studies is, very important for the physical & mental wellbeing of our students.

DANCE

Dance education aids the development of kinesthetic intelligence, creating opportunities for self-expression and communication

MUSIC

The music classes in our school serves as a platform for creating tiny musicians of all genres and skill levels. It enables them to learn vocals, rhythm and pitch in singing and to use instruments like keyboard, drums and guitar. It also helps to showcase their talent at various events in inter school and intra school competitions.

CELEBRATION OF SPECIAL DAYS

Celebrations in Global Public School ,have become an integral part of joyful learning, community building and thought provoking processes.

MONTHLY COMPETITIONS

Every month, class competitions and inter-house competitions are conducted which provide a myriad of opportunities, a platform to demonstrate talent and a stepping-stone for students to achieving greater things in life.

ASSESSMENT

Effective assessments give students feedback on how well they understand the information and on what they need to improve, while helping teachers to design instruction better.

In Global Public School,Assessment is done intermittently and through three different ways- Formative, Interim, Summative.

Our Formative Assessments are short term testing done through very interactive class discussions; a warm-up, closures, exit or feedback slips; on-the-spot performances; quizzes grand conversations, brainstorming.etc where our learners are in the process of making meaning of new content and of integrating it into what they already know.

Our learners get immediate feedback which enables them to change their understanding and performance.

Our Interim Assessments are more formal and are done, using tools such as projects scored with a rubric, extended essays, written assignments, and Chapter tests. Our students are given the opportunity to re-demonstrate their understanding once the feedback has been digested and acted upon.

Our Summative Assessment is formal and takes place at the end of each term.

FACULTY

All teachers at the Global Public School are core professionals and children friendly. We believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to incorporate all intellectual domains. Teachers create an invigorating ambience that kindles the curiosity of every child.

GLOBAL PUBLIC SCHOOL was formed in the year 2018 as Bachpan Play School, the institution began with a humble yet powerful dream
— to provide a strong foundation for young learners through love, care, and quality education. Has now made successful excellence in the field of Primary and Middle education .

From seed to sapling tree ,and now the fruit of hardwork! Under the visionary leadership of **MR.GOURAV KALIA** (M.D.) , Our school create a nurturing environment where knowledge meets values and excellence becomes a habit. What started as a dream to provide quality, modern education to the children of Fatehpur has today grown into a trusted institution known for academic brilliance, discipline, and holistic development.
Over the years, the school has continuously evolved with advanced infrastructure, innovative teaching methods, and a strong focus on character building. With every milestone achieved, Global Public School has strengthened its commitment to shaping confident, responsible, and future-ready citizens.
Today, as we proudly complete eight successful years, we celebrate a journey marked by dedication, growth, and countless achievements — continuing to shape confident, capable, and future-ready citizens for tomorrow.
